BELL TELEPHONE MAGAZINE

VOLUME XXVII, 1948

TABLE OF CONTENTS

SPRING, 1948

"We Must Continue to Go Forward," by *Leroy A. Wilson* 5
Public Telephones: They Serve Everybody, by *T. Hunt Clark* ... 9
Rural Telephone Progress—1947 20
Making Inter-Office Trunk Equipment Do Double Duty, by *Benjamin K. Boyce* 23
Business and People, by *Keith S. McHugh* 31
It Was a Tough Winter 39
Bell System Inventions Are Not Suppressed, by *Hubert A. Pattison* 48
Washington's New Federal Dial Switching System, by *George E. DesJardins* 50
The Single Warrant: A Step Ahead in Corporate Finance, by *Frederick A. Wiseman* 59
Twenty-five Years Ago in the Bell Telephone Quarterly 70
The Goose That Lays the Golden Egg 72

SUMMER, 1948

Exchange Cable: The Drama of Post-war Production, by *Charles G. Sinclair, Jr.* 77
The License Contract, by *Keith S. McHugh* 88
The Thirty Millionth Bell Telephone Is Installed in Iowa 93
The Wires Which Carry the News of the World, by *Robert E. Moore* 94
Southern New England and the Telephone 104
The Benefit and Pension Plant Is Thirty-five, by *Charles J. Schaefer, Jr.* 105
Bell System Advertising Wins Award 113
Charts at Works, by *Kenneth W. Haemer* 114
Twenty-five Years Ago in the Bell Telephone Quarterly 124
Ideas, Men, and Things, by *James O. Perrine* 126
The Greatest Communication Network in History 135

AUTUMN, 1948

How Western Electric Serves Telephone Users, by *Clifton W. Phalen* 141
A Design for Living, by *Theresa E. Boden* 148
Telephone City 162
Sorting Two-and-a-half Billion Tickets a Year, by *Fredric M. Biathrow and F. Raymond Brewster* 164
Promoting Safety in Our Automotive Fleet, by *Erle S. Miner* 172
Most People Are Honest, by *H. Montague Pope* 185
Telephones of the World, by *James R. McGowan* 192
Twenty-five Years Ago in the Bell Telephone Quarterly 202

WINTER, 1948–1949

Six Thousand Telephone Companies Serve U. S., by *A. Roger Chappelka* 209
Bell System Patents and Patent Licensing, by *Keith S. McHugh* .. 217
The Part Communications Play in Civil Defense, by *Judson S. Bradley* 220
The Millionth Bell Rural Telephone Since the War Is Installed ... 226
Toll Dialing by Operators Reaches Some 300 Places, by *Ernst J. Guengerich* 228
Fair Exchange, by *John Mason Brown* 238
Right-of-Way Comes First, by *Harry H. Hoopes* 240
Installation by Western Electric Company, by *Alvin von Auw* 249
The Things Men Live By, by *Walter S. Gifford* 259
Telephone Facilities for Railroad Reservations, by *Justin E. Hoy* 260
Twenty-five Years Ago in the Bell Telephone Quarterly 270
Bell System's Television Networks Connected 271

Biographical sketch—portrait	Wi	206
"Six Thousand Telephone Companies Serve U. S." by A. Roger Chappelka—6 photos	Wi	208
Charts:		
"Charts at Work" by K. W. Haemer—10 charts	Su	114
Customer opinion of service, 1946-1948	Su	119
Distribution of the world's telephones—1947	Su	115
Estimated Bell System exchange cable shipments for 1948 compared with the expected 1948 production of certain other items	Su	87
Growth in stations, 1876-1919	Su	117
Manual answers, per cent over 10 seconds—1939, 1947, 1948	Su	118
Millions of telephones, 1920-1947	Su	123
Net telephone gain, 1935-1947	Su	122
Percentage distribution of telephone plant investment, 1920-1947	Su	121
Telephone development of large cities, January 1, 1948	Au	198
Telephone movement and net gain, 1920-1947	Su	120
Telephones in countries of the world, January 1, 1948	Au	194
Telephones—in millions, 1920-1947	Su	118
Telephones per 100 population, January 1, 1947	Su	116
Telephones per 100 population, January 1, 1948	Au	196
The World's telephones, January 1, 1948	Au	197
The World's telephones by continental areas, January 1, 1948	Au	193
"Charts at Work" by Kenneth W. Haemer—10 charts	Su	114
Civil Defense:		
Bell System Men in Office of Civil Defense Planning	Wi	206
"The Part Communications Play in Civil Defense" by Judson S. Bradley—1 photo	Wi	220
Clark, T. Hunt:		
Biographical sketch—portrait	Sp	2
"Public Telephones: They Serve Everybody"—9 photos	Sp	9
Construction:		
"Second Transcontinental Route Planned"—(In "25 Yrs. Ago")	Sp	71
Crookes, Sir William:		
Scientific research	Su	129

	Issue	Page
Crystals:		
"Ideas, Men and Things" by J. O. Perrine	Su	132
Curie, Paul:		
Scientific research	Su	132
Curie, Pierre:		
Scientific research	Su	132
D		
Davy, Sir Humphrey:		
Quote on discovery of Michael Faraday	Su	127
Quote on success through failures	Su	126
DeForest, Lee:		
Scientific research	Su	131
"A Design for Living" by Theresa E. Boden—13 photos	Au	148
DesJardins, George E.:		
Biographical sketch—portrait	Sp	3
"Washington's New Federal Dial Switching System"—4 photos	Sp	50
DeVries, Hugo:		
Scientific research	Su	128
Diagrams:		
Showing DSA switchboards arranged for dual use	Sp	29
Inter-office trunking circuits, showing dual use	Sp	27
Round robin duplex teletype service	Su	99
Telephone equipment arranged to give both customers and ticket sellers access to reservation clerks over the same turret lines	Wi	266
Telephone equipment arranged to provide separate turret lines for customers and ticket sellers to reach reservation clerks	Wi	267
Dial Systems:		
"Making Inter-Office Trunk Equipment Do Double Duty" by Benjamin K. Boyce—4 photos, 1 map, 2 diagrams	Sp	23
"Six Thousand Telephone Companies Serve U. S." by A. Roger Chappelka—1 photo	Wi	212
"Toll Dialing by Operators Reaches Some 300 Places" by Ernst J. Guengerich—4 photos, 1 map	Wi	228
"Washington's New Federal Dial Switching System" by George E. DesJardins—4 photos	Sp	50
Displays and Exhibits:		
"Southern New England and the Telephone"—2 photos	Su	104
Dufay, Charles:
